LAUNCH OF
**PRADHAN MANTRI SAHAJ BIJLI HAR GHAR YOJANA
(SAUBHAGYA)**
IN MANIPUR

Inaugurated by
SHRI R. K. SINGH

*Hon'ble Union Minister of State (I/c) for Power and New & Renewable Energy
Govt. of India*

AND

SHRI N. BIREN SINGH
Hon'ble Chief Minister, Manipur

on 28th November 2017

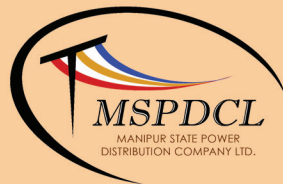

सौभाग्य

प्रधानमंत्री सहज बिजली हर घर योजना

In the august presence of

SHRI TH. BISWAJIT SINGH

Hon'ble Minister (Power, Works, RDPR, Com & Ind., AR & Trg., IPR)

रूरल इलेक्ट्रिफिकेशन कारपोरेशन लिमिटेड
Rural Electrification Corporation Limited
(भारत सरकार का एक नवरात्रि उद्योग / A Navratra Enterprise of Govt. Of India)

Pradhan Mantri Sahaj Bijli Har Ghar Yojana (SAUBHAGYA) IN MANIPUR

Sl.No	Scheme Details	Relevant data
1	Name of scheme	Pradhan Mantri Sahaj Bijli Har Ghar Yojana (SAUBHAGYA)
2	Governing and Nodal Agency	Ministry of Power/ Rural Electrification Corporation Ltd.(REC)
3	Implementing Authority	MSPDCL
4	Place of Saubhagya launch in Manipur	Imphal
5	Total no. of un-electrified Households to be covered	1.75 Lakhs
6	Target of the Project	31 st December 2018

Pradhan Mantri Sahaj Bijli Har Ghar Yojana (SAUBHAGYA) was launched by the Hon'ble Prime Minister of India, Shri Narendra Modi on 25th September 2017, to achieve universal household electrification in the Country.

Keeping in view the role of electricity in human and socio-economic development, Government of India has formulated the scheme to ensure last mile connectivity and electricity connections to all remaining un-electrified urban and rural households in the Country.

NODAL AGENCY : Rural Electrification Corporation Limited (REC), a "Navaratna CPSE" under the Ministry of Power has been appointed as the nodal agency for the operationalization of the scheme.

OBJECTIVES : The main objective is to achieve universal household electrification by providing last mile connectivity and electricity connections to all households in rural and urban areas.

SCOPE OF WORK :

i. Providing last mile connectivity and electricity connection to all un-electrified households in rural and urban areas through grid network.

ii. Providing Solar Photo Voltaic (SPV) based standalone systems for un-electrified households located in remote and inaccessible villages/habitation, where grid extension is not feasible or cost effective.

ELIGIBILITY : The prospective beneficiary households for free electricity connections under the scheme will be identified using Socio Economic and Caste Census (SECC) 2011 data and the criteria is given below:

1. Criteria-I Households meeting the following exclusion criteria are automatically excluded and shall not be considered for free electricity connection under Saubhagya. Any un-electrified households in this category would be provided electricity connection on payment of Rs. 500/- per connection by the following household beneficiaries, who have:

- Motorised 2/3/4 wheeler/fishing boat
- Mechanised 3/4 wheeler agricultural equipment

- Kisan credit card with credit limit of over Rs. 50,000/-
- Household member Government employee
- Households with non-agricultural enterprises registered with Government
- Any member of household earning more than Rs. 10,000/- per month
- Paying income tax
- Paying Professional tax
- Three or more rooms with pucca walls and roof
- Owens a refrigerator
- Owens landline phone
- Owens more than 2.5 acres of irrigated land with one irrigation equipment
- 5 acres or more of irrigated land for two or more crop seasons
- owning at least 7.5 acres of land or more with at least one irrigation equipment

2. Criteria-II: Households satisfying following inclusion criteria are automatically included. Any un-electrified households in this category would be eligible for free electricity connection under Saubhagya

- Households without shelter.
- Destitute, living on alms.
- Manual scavenger families.
- Primitive tribal groups.
- Legally released bonded labour.

Such un-electrified households having suitable house/hut/premise would be provided free electricity connections under Saubhagya.

3. Criteria-III: The remaining households are identified through a seven-item binary scoring criteria, using deprivation indicators. The deprivation criteria are as under:

- Households with only one room, kucha wall and kucha roof.
- No adult member between the age of 16 and 59
- Female headed households with no adult male member between age of 16 and 59

- iv. Households with disabled member and no able-bodied adult member
- v. SC/ST household
- vi. Households with no literate adult above 25 years
- vii. Landless households deriving a major part of their income from manual casual labour

The un-electrified households having at least one deprivation out of above seven deprivation indicators would be eligible for free electricity connection under Saubhagya. Any left out un-electrified BPL households not covered in projects sanctioned under DDUGJY including RE component would also be eligible for free electricity connection under Saubhagya.

Un-electrified households not covered under SECC data will also be provided connections on payment of Rs 500, which shall be recovered from such beneficiaries by MSPDCL in 10 instalments through electricity bills.

OVERALL TARGET:

All States and Union Territories of the Country are required to complete household electrification by 31st March, 2019. All out efforts are being made to complete before 31st December, 2018.

A total of approximately 1.75 lakhs households (1.62 lakhs rural households and 0.13 lakhs urban households) of Manipur are targeted to be included in the Scheme. District-wise details based on SECC-2011 are given below:

District Code & District Name	Total household	Un-electrified rural households proposed to be covered under Saubhagya	Un-electrified Urban households proposed to be covered under Saubhagya
A	B	C	D
State Total	578939	162581	13079
01 - Senapati	93129	35877	Not Applicable
02 - Tamenglong	25878	9258	Not Applicable
03 - Churachandpur	53252	17840	Not Applicable
04 - Bishnupur	46514	11569	1741
05 - Thoubal	87318	19568	3123
06 - Imphal West	110855	19804	5869
07 - Imphal East	91815	26782	2026
08 - Ukhrul	39237	13198	Not Applicable
09 - Chandel	30941	8685	320

STRATEGIES FOR IMPLEMENTATION:

Corporate Office of MSPDCL will coordinate with the Nodal agency (REC) for overall implementation of the Scheme in State.

A District Support Unit (DSU) is being set up in every district comprising of:

- i. Officials deputed from District Administration,
- ii. Officials deputed from MSPDCL,
- iii. Officials deputed from MANIREDA and
- iv. GVAs (Gram Vidyut Abhiyanta) deployed by REC

for prioritization and selection of sites and overall coordination in the district. Concerned Deputy General Manager (DGM) of the district will be the convenor for DSU.

DSU shall publicise/advertise through Mass Media Platform of the scheme and shall also arrange for awareness programme with the village headmen so as to ensure that all households are electrified.

DSU shall categorize the un-electrified households into three categories as follows.

Category I: Un-electrified Households where electricity connection can be released from the existing infrastructure.

Implementation mode: Camps in selected sites shall be setup consequently after prioritization to facilitate on spot electricity connection to the beneficiaries along with collection of relevant data.

Category II: Un-electrified Households where Solar Photo Voltaic (SPV) based standalone system are to be provided, for households located in remote and inaccessible villages/habitation, where grid extension is not feasible or cost effective.

Implementation mode: Solar Photo Voltaic (SPV) based standalone system shall be arranged to provide through MANIREDA.

Category III: Un-electrified Households where electricity connection can be released only after creation of infrastructure.

Implementation mode: Necessary infrastructure shall be created through Turn-Key Firm /Empanelled

Contractor under the supervision of DSU.

Separate team deployed by DSU shall also be incorporated to facilitate on spot electricity connection to the beneficiaries along with collection of relevant data.

PROVISION UNDER THE SCHEME:

» Electrification of Households under category I and III includes providing of service line cable, energy

meter, single point wiring, LED lamp of 9 W and associated accessories and also creation of electrical infrastructure for last mile connections.

» For category II, power packs of 200 - 300 Wp (with battery bank) with a maximum of 5 LED lights, 1 DC fan, 1 DC power plug etc. along with provision of Repair & Maintenance (R&M) for 5 Years.

The contact officials of MSPDCL:

CIRCLE	NAME OF THE DISTRICT (Based on SECC 2011)	OFFICE ADDRESS of DGM
CIRCLE - I	IMPHAL EAST	i) DGM IED-III, Kakwa (Wangkhei & Kongba Sub-Division) ii) DGM IED-IV, Khuman Lampak iii) DGM Jiribam, Jiribam
	IMPHAL WEST	i) DGM IED-I, Keishampat ii) DGM IED-II, Lamphel iii) DGM IED-III, Kakwa (Singjamei & Wangoi Sub-Division)
